

JAPANTOWN LIONS 2021 FUNDRAISER

Join us by participating in this year's virtual "Celebrating Nikkei Matsuri!" April 24-May 9.

Please help our Japantown Lions. We volunteer our time and raise funds to make financial contributions to local charities.

- During the Pandemic, every month our club members have been delivering over two-hundred nutritious meals to elderly seniors.
- We volunteer for the "Brown Bag Program," which is administered by the Yu-Ai Kai and the Second Harvest Food Bank.
- In addition, our members prepare income tax returns as a free service to seniors and low-income families.

We greatly appreciate your donations by helping us build a better community.

Our Lions Club motto is "We Serve."
